**SOAP JOURNAL**

Welcome to the When In Rome SOAP Journal! In this journey, we walk through Paul's letter to the Christians in Rome, known as the Book of Romans. This epistle reveals the essence of the gospel and offers guidance on how believers then and now can embody the teachings of Christ.

Throughout this series, we invite you to join us in exploring Romans together, seeking to discern the whispers of God within its passages. To aid in our journey of reflection and understanding, we will employ the SOAP method—Scripture, Observation, Application, and Prayer. In this journal, we'll read Romans together and reflect on what God is speaking to us through the passages in Romans.

## SCRIPTURE

Read a passage in the Bible to understand what God wants to speak to you. Pick a verse that stands out to you and write it in your journal.

## OBSERVATION

What is God saying in this Scripture? Ask the Holy Spirit to help you and explain Jesus' message in your own words in your journal.

## APPLICATION

Make it personal and think about how these verses relate to your life now. Write about how they can apply to you today.

## PRAYER

Keep it simple. Ask God to help you use this Scripture or understand what He's trying to say. Remember, prayer is a conversation, so listen to what God might be saying and write about it in your journal.
